Press Release PLMA Chicago:

Tatawa Industries: Branded & Private Label Cookie Solutions

Tatawa Industries (M) Sdn Bhd is a Malaysian cookie manufacturer specializing in innovative cookie solutions, offering both TATAWA branded products and private label manufacturing services for global retailers and distributors.

With expertise in cookie development, Tatawa creates a wide range of products including center-filled cookies, soft cookies, butter cookies, wafer rolls, and assorted biscuits. Our signature center-filled cookies deliver a unique combination of crunchy textures and delicious fillings, catering to today's evolving consumer preferences.

Beyond our own TATAWA brand, we work closely with partners to develop customized products, flavours, and packaging solutions that meet different market needs. Supported by strong food safety standards including Halal, HACCP, GMP, and ISO 22000 certifications, Tatawa is committed to delivering quality, reliability, and innovation.

Visit Tatawa Industries at PLMA Chicago to explore our branded products and partnership opportunities.
