Oak Barrel Corporation to Showcase Expanded NINE Asian Food Portfolio at PLMA 2026

Oak Barrel Corporation, a growing provider of Asian-inspired food products, will showcase its expanded **NINE** product portfolio at the 2026 PLMA Store Brands Marketplace in Chicago, bringing a diverse selection of Asian sauces, noodles, oils, and convenient cooking ingredients to retailers and industry professionals.

Designed for quality, authentic Asian flavors, and everyday versatility, the NINE portfolio gives retailers an opportunity to bring globally inspired products to consumers seeking convenient ingredients and new culinary experiences.

Introducing the Expanded NINE Portfolio

At PLMA 2026, Oak Barrel will highlight a broad selection of NINE products, including:

- **NINE Organic Soy Sauce** – A naturally flavorful soy sauce made with organic ingredients, ideal for cooking, marinating, dipping, and seasoning.
- **NINE Organic Reduced Sodium Soy Sauce** – A reduced-sodium option designed for consumers looking for a lighter alternative without giving up the savory character of soy sauce.
- **NINE Organic Tamari Soy Sauce** – A rich and versatile tamari-style soy sauce suited for dipping, marinades, stir-fries, and everyday cooking.
- **NINE Teriyaki Sauce** – A versatile sauce for glazing, marinating, stir-frying, and adding a savory-sweet finish to meat, seafood, vegetables, and other dishes.
- **NINE Organic White Rice Stick Noodles** – Light and versatile rice noodles that are ideal for stir-fries, noodle bowls, soups, and Asian-inspired dishes.
- **NINE Organic Brown Rice Stick Noodles** – A wholesome alternative made with brown rice, offering versatility for noodle bowls, stir-fries, soups, and everyday meals.
- **NINE Pure Sesame Oil** – A fragrant finishing and cooking oil that adds a distinctive sesame aroma and flavor to Asian-inspired dishes.
- **NINE Ginger Paste** – A convenient way to add ginger flavor to sauces, marinades, stir-fries, soups, and dressings.
- **NINE Garlic Paste** – A convenient cooking ingredient that brings rich garlic flavor to a wide range of dishes without the preparation of fresh garlic.

- **NINE Naturally Brewed Less Sodium Soy Sauce** – A naturally brewed soy sauce with less sodium, created for consumers seeking a lighter option while maintaining a satisfying savory flavor.

Featured Sauce

- **Huy Fong Sriracha 17 oz** – A bold, spicy chili sauce that adds heat and flavor to everything from Asian-inspired dishes and noodle bowls to sandwiches, marinades, dipping sauces, and everyday meals.

Bringing Asian Flavors to Everyday Retail

As interest in global flavors continues to influence food choices, Oak Barrel is focused on making Asian-inspired ingredients more accessible and convenient for everyday consumers. The NINE portfolio brings together essential Asian pantry staples in modern, approachable formats that can be used across a wide range of cuisines and cooking occasions.

From traditional Asian dishes to contemporary recipes, NINE products are designed to give consumers simple ways to incorporate authentic-inspired flavors into their everyday meals.

“We are excited to bring the expanded NINE portfolio to PLMA 2026 and introduce our products to retailers looking for quality, versatile, and distinctive food offerings. Our goal with NINE is to make Asian flavors more accessible to consumers while giving retail partners a portfolio that offers variety, convenience, and strong everyday usability.”
