

Fine Italian Food Gives a Modern Twist with Mantova Pesto with Avocado Oil

CHICAGO (November 15, 2026) – With a portfolio spanning authentic Italian olive oils, specialty oils, vinegars, pasta, sauces, condiments, and more, Fine Italian Food works with trusted suppliers to bring quality Italian-inspired products to the North American market. Combining traditional flavors with convenient and contemporary offerings, the company continues to develop products that fit the way consumers cook and eat today.

Featured at PLMA is Mantova Pesto with Avocado Oil, a modern take on a beloved Italian classic. Combining the familiar flavor and versatility of pesto with avocado oil, the product offers consumers a convenient way to add rich, herbaceous flavor to everyday meals.

Ready to enjoy straight from the jar, Mantova Pesto with Avocado Oil can be tossed with pasta, spread onto sandwiches and bruschetta, paired with vegetables, incorporated into appetizers, or used as a flavorful finishing touch for a variety of dishes.

Its versatility makes it more than just a pasta sauce, while the use of avocado oil gives this classic Italian favorite a contemporary point of difference. Mantova Pesto with Avocado Oil offers retailers an opportunity to bring a familiar category into a modern pantry.
