PADDOCK TO POWER

AUSTRALIAN HONEY. NATURAL PERFORMANCE.

PRESS RELEASE

Paddock to Power Launches Australian Honey Energy for Endurance Athletes

Paddock to Power is redefining sports nutrition with ENDURANCE, an Australian honey energy gel created to fuel active performance naturally. Made with Australian honey and clean ingredients, ENDURANCE provides a convenient energy source for runners, cyclists, triathletes and endurance enthusiasts. Combining Australia's natural honey with performance-focused nutrition, Paddock to Power connects the paddock with the pursuit of personal bests - delivering natural energy in a convenient, portable format designed for training, racing and adventure across Australia and international endurance markets.
