Dutch House Confections to Showcase Premium Caramels at 2026 PLMA Private Label Trade Show

CHICAGO, IL — Dutch House Caramels is proud to announce its participation in the upcoming Private Label Manufacturers Association (PLMA) World of Private Label International Trade Show. The company will debut its expanded line of premium, handcrafted caramels tailored specifically for private label partners, grocery retailers, and specialty food distributors looking to elevate their store-brand confectionery offerings.

As consumer demand for premium, clean-label, and nostalgic treats continues to surge, Dutch House Caramels provides retailers with an exceptional opportunity to capture high-margin sales. Visitors to the PLMA show will have the opportunity to taste the brand's signature melt-in-your-mouth caramels, which are still made using traditional cooking methods and real butter.

Dutch House Caramels will feature several key highlights at their exhibit, including:

- **Signature Classic Caramels:** The original recipe known for its smooth texture and rich, buttery flavor profile.
- **Trending Flavor Innovations:** A showcase of contemporary flavor profiles, including Sea Salt, Jalapeno, Coffee and seasonal varieties designed to drive impulse purchases.
- **Flexible Retail Packaging Solutions:** A variety of turnkey packaging formats, from elegant gift boxes to point-of-sale bulk display boxes, all customizable for private label branding.

PLMA attendees, brokers, and category managers are invited to visit the Dutch House Caramels booth to sample the product line and discuss custom packaging options for the upcoming retail seasons.

About Dutch House Caramels
Founded on a tradition of quality and craftsmanship, Dutch House Caramels specializes in producing premium, small-batch style confections for retail and private label partners. Using only high-quality, wholesome ingredients, Dutch House Caramels delivers an authentic, old-fashioned confectionery experience that builds brand loyalty and delights consumers nationwide.
