Why work with Agro Hub

Spices are sourced from their countries of origin and packed in-house alongside Himalayan salt from Pakistan. Products are made to the buyer's artwork and specifications, with HACCP, BRC, ISO, Halal and Kosher certifications, and shipped on EXW, FOB, CFR, CIF, DDU or DDP terms, including delivery to the customer's door.

> *"Our goal is simple: the customer unloads the container and stocks the shelf," said Asfandyar Mughal, Head of Sales. "We handle every step in between, from sourcing and processing to packing and shipping."*

Visitors are invited to Booth F1071 to see the full product range on display and discuss private label programs.
