ANAX FOODS Showcases Signature Greek Olives at PLMA Chicago 2026

Chicago, November 2026 — ANAX FOODS, a Greek olive producer, will present its range of green, Kalamata and Amfissa olives at PLMA's 2026 Private Label Trade Show in Chicago, November 15–17.

Visitors can discover the company's Signature Green olive range, including fermented Halkidiki olives, alongside green olives developed through ANAX FOODS' patented process. The portfolio also includes premium stuffed olives with distinctive filling combinations designed for a variety of retail and foodservice applications.

With an emphasis on product differentiation, flavor and flexible packaging formats, ANAX FOODS works with partners seeking Greek olive products for their own brands. Its selection includes whole, pitted and stuffed varieties across multiple olive types.

Meet ANAX FOODS at North Hall, Booth F2739 to explore the range and discuss potential private-label collaborations.
