Visitors to **Booth F8717** can explore products that can be customized under their own brand, including solutions across Chaucer Foods' freeze-dried fruit, enrobed fruit, and specialty product portfolio. Our private label capabilities allow retailers to bring high-quality, on-trend products to market while creating packaging and branding that fits seamlessly within their own product ranges.

With extensive expertise in freeze-drying and product development, Chaucer Foods works closely with retail partners to develop products that meet evolving consumer needs, from convenient snacking to versatile food and ingredient applications.

PLMA provides an exciting opportunity to connect with retailers, discuss new product concepts, and explore how Chaucer Foods can help bring unique private label ideas to life.

Visit Chaucer Foods at Booth F8717 at PLMA 2026 to discover products ready to become part of your brand.
