Milkio Foods to Showcase Private Label Dairy Solutions at PLMA's 2026 Private Label Trade Show, Chicago

Press Release | November 16 – 17, 2026 | Stand F5712

Milkio Foods Limited, New Zealand, will exhibit at **PLMA's 2026 Private Label Trade Show, Chicago** on November 16 - 17, 2026, at Stand F5712, presenting its private label and contract manufacturing capabilities to international retailers, distributors, foodservice operators and food manufacturers.

Grass-fed is at the heart of Milkio's offering. Produced in New Zealand, where dairy animals graze on pasture, Milkio's grass-fed ghee and butter deliver rich, natural flavor and a distinctive golden color that today's consumers look for. For private label partners, grass-fed offers a premium position that helps retailers and brands stand out in competitive markets.

With **private label, custom product development, flexible pack formats and contract manufacturing solutions**, Milkio supports brands looking to develop differentiated dairy products for global markets.

Milkio will showcase a diverse portfolio of premium butter and ghee products designed for retail, foodservice, bakery and industrial applications:

- Grass-Fed New Zealand Ghee – Rich, aromatic ghee made from premium grass-fed cow's milk fat, ideal for cooking and everyday use.
- **High-Aroma Ghee** – Premium grass-fed ghee delivering a distinctive aroma and rich flavor for cooking and foodservice.
- Aromatic Butter Ghee – Richly flavored ghee suited to Middle Eastern and traditional culinary preparations.
- **Sheep & Goat Ghee** – Specialty ghee options offering distinctive flavor profiles for diverse culinary applications.
- **Ghee Blend** – A cost-effective ghee solution developed for versatile food and cooking applications.
- Ghee Powder – Free-flowing, convenient powdered ghee with a creamy mouthfeel, suitable as an instant creamer and for food manufacturing.
- Pure Unsalted Butter – Premium New Zealand butter suitable for retail, foodservice and food manufacturing.
- Buttery Spread – A versatile butter-based spread designed for everyday culinary applications.
- **Lactic Butter** – Flavorful butter developed for applications where a distinctive lactic profile is desired.
- Pastry Butter Sheets – Convenient butter sheets designed for professional pastry, bakery and laminated dough applications.

With private label**, custom product development, flexible pack formats and contract manufacturing solutions**, Milkio supports brands looking to develop differentiated dairy products for global markets.
