PRESS RELEASE
FOR IMMEDIATE RELEASE / 4 NOVEMBER 2026

flavourtech

20 years of U.S. experience. Meet us at PLMA Chicago.

NOVEMBER 16–17, 2026 · NORTH HALL · BOOTH F2355

Donald E. Stephens Convention Center, Rosemont, Illinois

İzmir, Türkiye, 4 November 2026. FlavourTech brings more than 20 years of experience supplying U.S. retailers and distributors to PLMA Chicago 2026. Meet our team on November 16 and 17 to discuss your next private-label food or beverage project.

For more than two decades, FlavourTech has worked with U.S. retail and distribution partners on food and beverage programmes. At PLMA, buyers can discuss product development, recipe requirements, packaging options and commercial priorities directly with our team.

Whether you are developing a value range, extending an established brand or exploring a premium proposition, we can discuss the product and manufacturing requirements around your brief.

Explore the range.

Featured categories include baking and dessert mixes, breakfast staples, coffee products, drink mixes, whey proteins, noodles, and soups, stocks and seasonings. Our wider portfolio spans **600+ products across nine categories**.

Explore the online capabilities deck before your visit, or bring a brief to the booth so we can focus the conversation on your target market, product, pack format and intended positioning.

Meet us in Chicago.

PLMA's 2026 Private Label Trade Show runs November 15–17; the exhibition floor is open on **November 16 and 17**. Reserve a meeting at **North Hall, Booth F2355**. If you are not attending, contact us to arrange a separate conversation.

About FlavourTech.

Established in 1992, FlavourTech manufactures private-label and branded food and beverage products for partners in **92 countries**. Our teams work across product development, production and packaging to support retail, distribution and food-industry programmes.
