World Wide Gourmet Foods Showcases Private Label, Controlled Brand and Custom Manufacturing Capabilities at PLMA 2026

WOODINVILLE, WASHINGTON - World Wide Gourmet Foods (WWGF), a Pacific Northwest food manufacturer founded in 1997, is highlighting its broad bakery, snack and confectionery capabilities at the 2026 PLMA Private Label Trade Show.

Three Ways to Partner

- **White Label:** Ready-to-market products offered with retailer or customer branding and packaging.
- **Controlled Brands:** Turnkey assortments under the **Nature's Summit** and **World Wide Gourmet Foods** brands.
- **Custom Manufacturing:** Products developed and produced to customer formulations, specifications and brand requirements.

Bakery, Snacks & Confections

Bars & Bites | **Protein Cereals** | **Cookies** | **Donuts** | **Snack Mixes** | **Granolas** | **Chocolate Bars & Shapes** | **Chocolate Covered Baked Goods** | **Chocolate Covered Caramels** | **Chocolate Covered Truffles**

Functional & Better-for-You Innovation: WWGF also develops functional versions across these product categories, including high-protein, reduced-sugar, gluten-free, plant-based, fiber-enriched and other specialty formulations.

Research & Development Services

WWGF offers R&D support from concept and custom formulation through prototyping, pilot production and commercialization, helping customers turn product ideas into scalable offerings.
